TRANSACTIONTREE LAUNCHES NEW WEBSITE

Learn about the latest in e-receipt technology

Atlanta, Ga. (April 30, 2009) - TransactionTree™ is proud to announce the release of their new and improved website. The new TransactionTree site features a retailer and consumer interface. Each designed for ease of use. The new site features a consumer receipts storage and organization feature for easy storage and retrieval of all a customer's receipts. Be sure to check back as we continuously work to improve and add new features to our web site.
